Quartets and Quintets: Bass and Drums with Piano or Guitar, and One or Two Horns

trios, quartets and quintets go by the name "Jazz Journey".

Description

The name of the game with my music is Jazz! It comes mellow or hot, with traditional standards or fusion inspired, but always creative.

Improvisation is at the core of my music, that and joy at sharing what I love to do. Oh, and lots of original tunes are in the mix too!
